

FRUIT^{OF} THE LOOM[®]

As one of the world's leading garment manufacturers, we recognise our responsibilities to the environment and the community. Our Code of Conduct "The Fruit Code", applies not only to Fruit of the Loom, but to our suppliers and distributors as well. We are committed to conducting our business in accordance with the highest standard of business ethics and respect for human rights. All of our garments are approved to OekoTex Standard 100, and all Fruit of the Loom facilities, and those of our suppliers, are WRAP certified, ensuring lawful, humane and ethical manufacturing throughout the world.
